## *WISH LIST*

The Hope Parent Support Fellowship is excited to present this edition of a wish list to help enable parents the opportunity to help fulfill specific needs and dreams at HCS. Many parents have expressed that they felt God nudging their hearts to bless HCS, but they did not know in what way.

This Wish List is our desire to help fulfill those wishes that have been identified by the faculty. As you read the pages that follow, please allow God to search your heart. Ask how your efforts and donations will build a Godly inheritance for our children as they pass through Hope Christian School. These gifts are donations to HCS and become the property of HCS, (not the individual staff and faculty members).

### **How to Fulfill a Wish**

1. **REVIEW** the lists carefully. Find the list from your child's classroom teachers.
2. **PRAY** for God's direction as to the item of donation He would have you give to confirm that your gift will not be duplicated.
3. **DELIVER** the gifts to your child's classroom or make arrangements with the teacher.
4. **PETITION** the Lord for His blessing on this year's Wish List. Thank you!

### **An Important Note Regarding Monetary Gifts**

If you are giving monetary gifts, please write one check for everyone and attach a note specifying how much goes to whom. Make the check out to "HCS". Write "Wish List" in the memo section of your check. Please **do not** make the check out to your recipient. You are encouraged to send checks instead of cash for accounting purposes to the Business office and they will inform the teacher of your gift. You will be issued a gift receipt for your tax-deductible donation.

### **FORM FOR GIFTS-IN-KIND**

Hope will not be issuing tax receipts for Gifts-in-Kind for donations less than \$250. For gifts of \$250 or more you may request a written acknowledgment of your donation from the Business Office of Hope Christian Schools, Inc. For donations less than \$250 please fill out this form and keep for your tax records along with your store receipt or estimated value of gift.
